AS PER PLAN / ELEVATION / OPTIONS

- All references to size, measurements, materials, construction styles, trade/brand/industry name or terms may be converted from imperial to metric or vice versa and actual product size may vary slightly as a result.
- All references to features and finishes are as per applicable plan or elevation and each item may not be applicable to every home. Locations of features and finishes are as per applicable plan or at the Vendor's sole discretion. Purchaser is aware that all items labeled as opt./optional are not included in the standard layouts.
- All features and finishes where Purchasers are given the option to select the style and/or colour shall be from the predetermined standard selections.
- The Vendor will not allow the purchaser to do any work and/or supply material to finish the dwelling before the "Home Closing Date".
- House types subject to final approval by the municipality or developer's architectural committee final siting and approval by the Vendor's architect.
- Variations from Vendor's samples may occur in finishing materials, kitchen and vanity cabinets, floors and wall finishes due to normal production process. The Vendor is not responsible for shade difference occurring from different dye lots on all material such as ceramic tile or broadloom, roof shingles, hardwood flooring, wood stairs, railing, kitchen cabinets, countertops, or exterior materials. Colours and material will be as close as possible to Vendor's samples but not necessarily identical. Where Purchasers are given the option to upgrade the stain of the interior stairs and railings, the purchaser is aware that the stain will complement the Harwood; "It will not match the hardwood"
- Purchasers may be required to reselect colours and/or materials from the Vendor's samples as a result of unavailability or discontinuation.
- Due to grade, door from garage to house may not be available.
- Ceilings and walls may be modified to accommodate mechanical system.
- Purchaser acknowledges being advised that windows may experience condensation as a result of changes in temperature and humidity in the house and accepts this as a natural characteristic of the windows and is advised to keep humidity level constant to reduce this tendency.
- In an effort to continuously improve its product StateView reserves the right to alter floorplans, exteriors, specifications and prices without notice. All renderings, floor plans and maps in brochures and sales displays are artists' concepts and are not necessarily to scale and dimensions/ square footages are approximate and may vary due to continuous improvement by the Vendor.
- The Purchaser acknowledges that the floor plan may be reversed.
- The Vendor reserves the right to substitute materials that are of equal or better quality. The determination of whether or not a substitute is of equal or better quality shall be made by the Vendor whose determination shall be final and binding.
- The ceiling height is measured from the top of the unfinished subfloor to the underside of the unfinished ceiling above before finishes and excluding bulkheads and drop ceilings, as per plan.
- If minor variations to the size of the Dwelling including internal dimensions of any areas are made to the Dwelling the Purchaser shall accept such minor variations without any abatement to the Purchase Price (5-10% total area allowance)
