

HOMETOWN HILLSDALE

DETACHED COUNTRY-SIZE HOMES ON
SPRAWLING 50', 60' & 100' WIDE LOTS
WITH DEPTHS UP TO 200'

Welcome to Hometown life in Hillsdale.

The quaint town of Hillsdale just north of Barrie is a uniquely special place where the way it happens to be the way it is and the way it always will be. A closely knit community where kids can be kids again, neighbours become good friends and Hometown isn't just "your" town, it's "our" town.

Country-size homes on 50', 60' and 100' wide lots, amidst nature.

Here you'll enjoy a community of elegant homes on sprawling lots with depths from 120 to 200 feet, making this a country-inspired, modern-styled enclave like no other. It's the perfect place for your family to spread out and embrace wide open spaces, fresh air and deep blue skies.

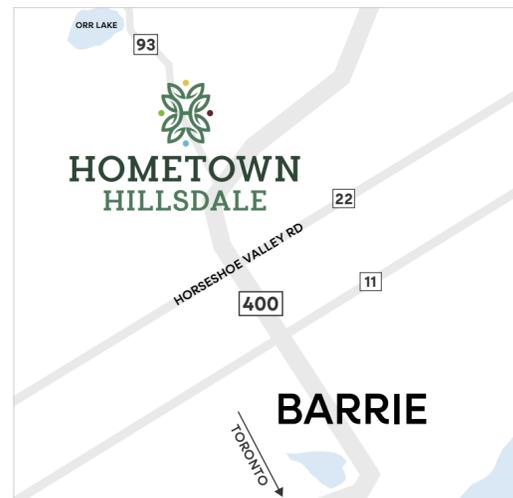

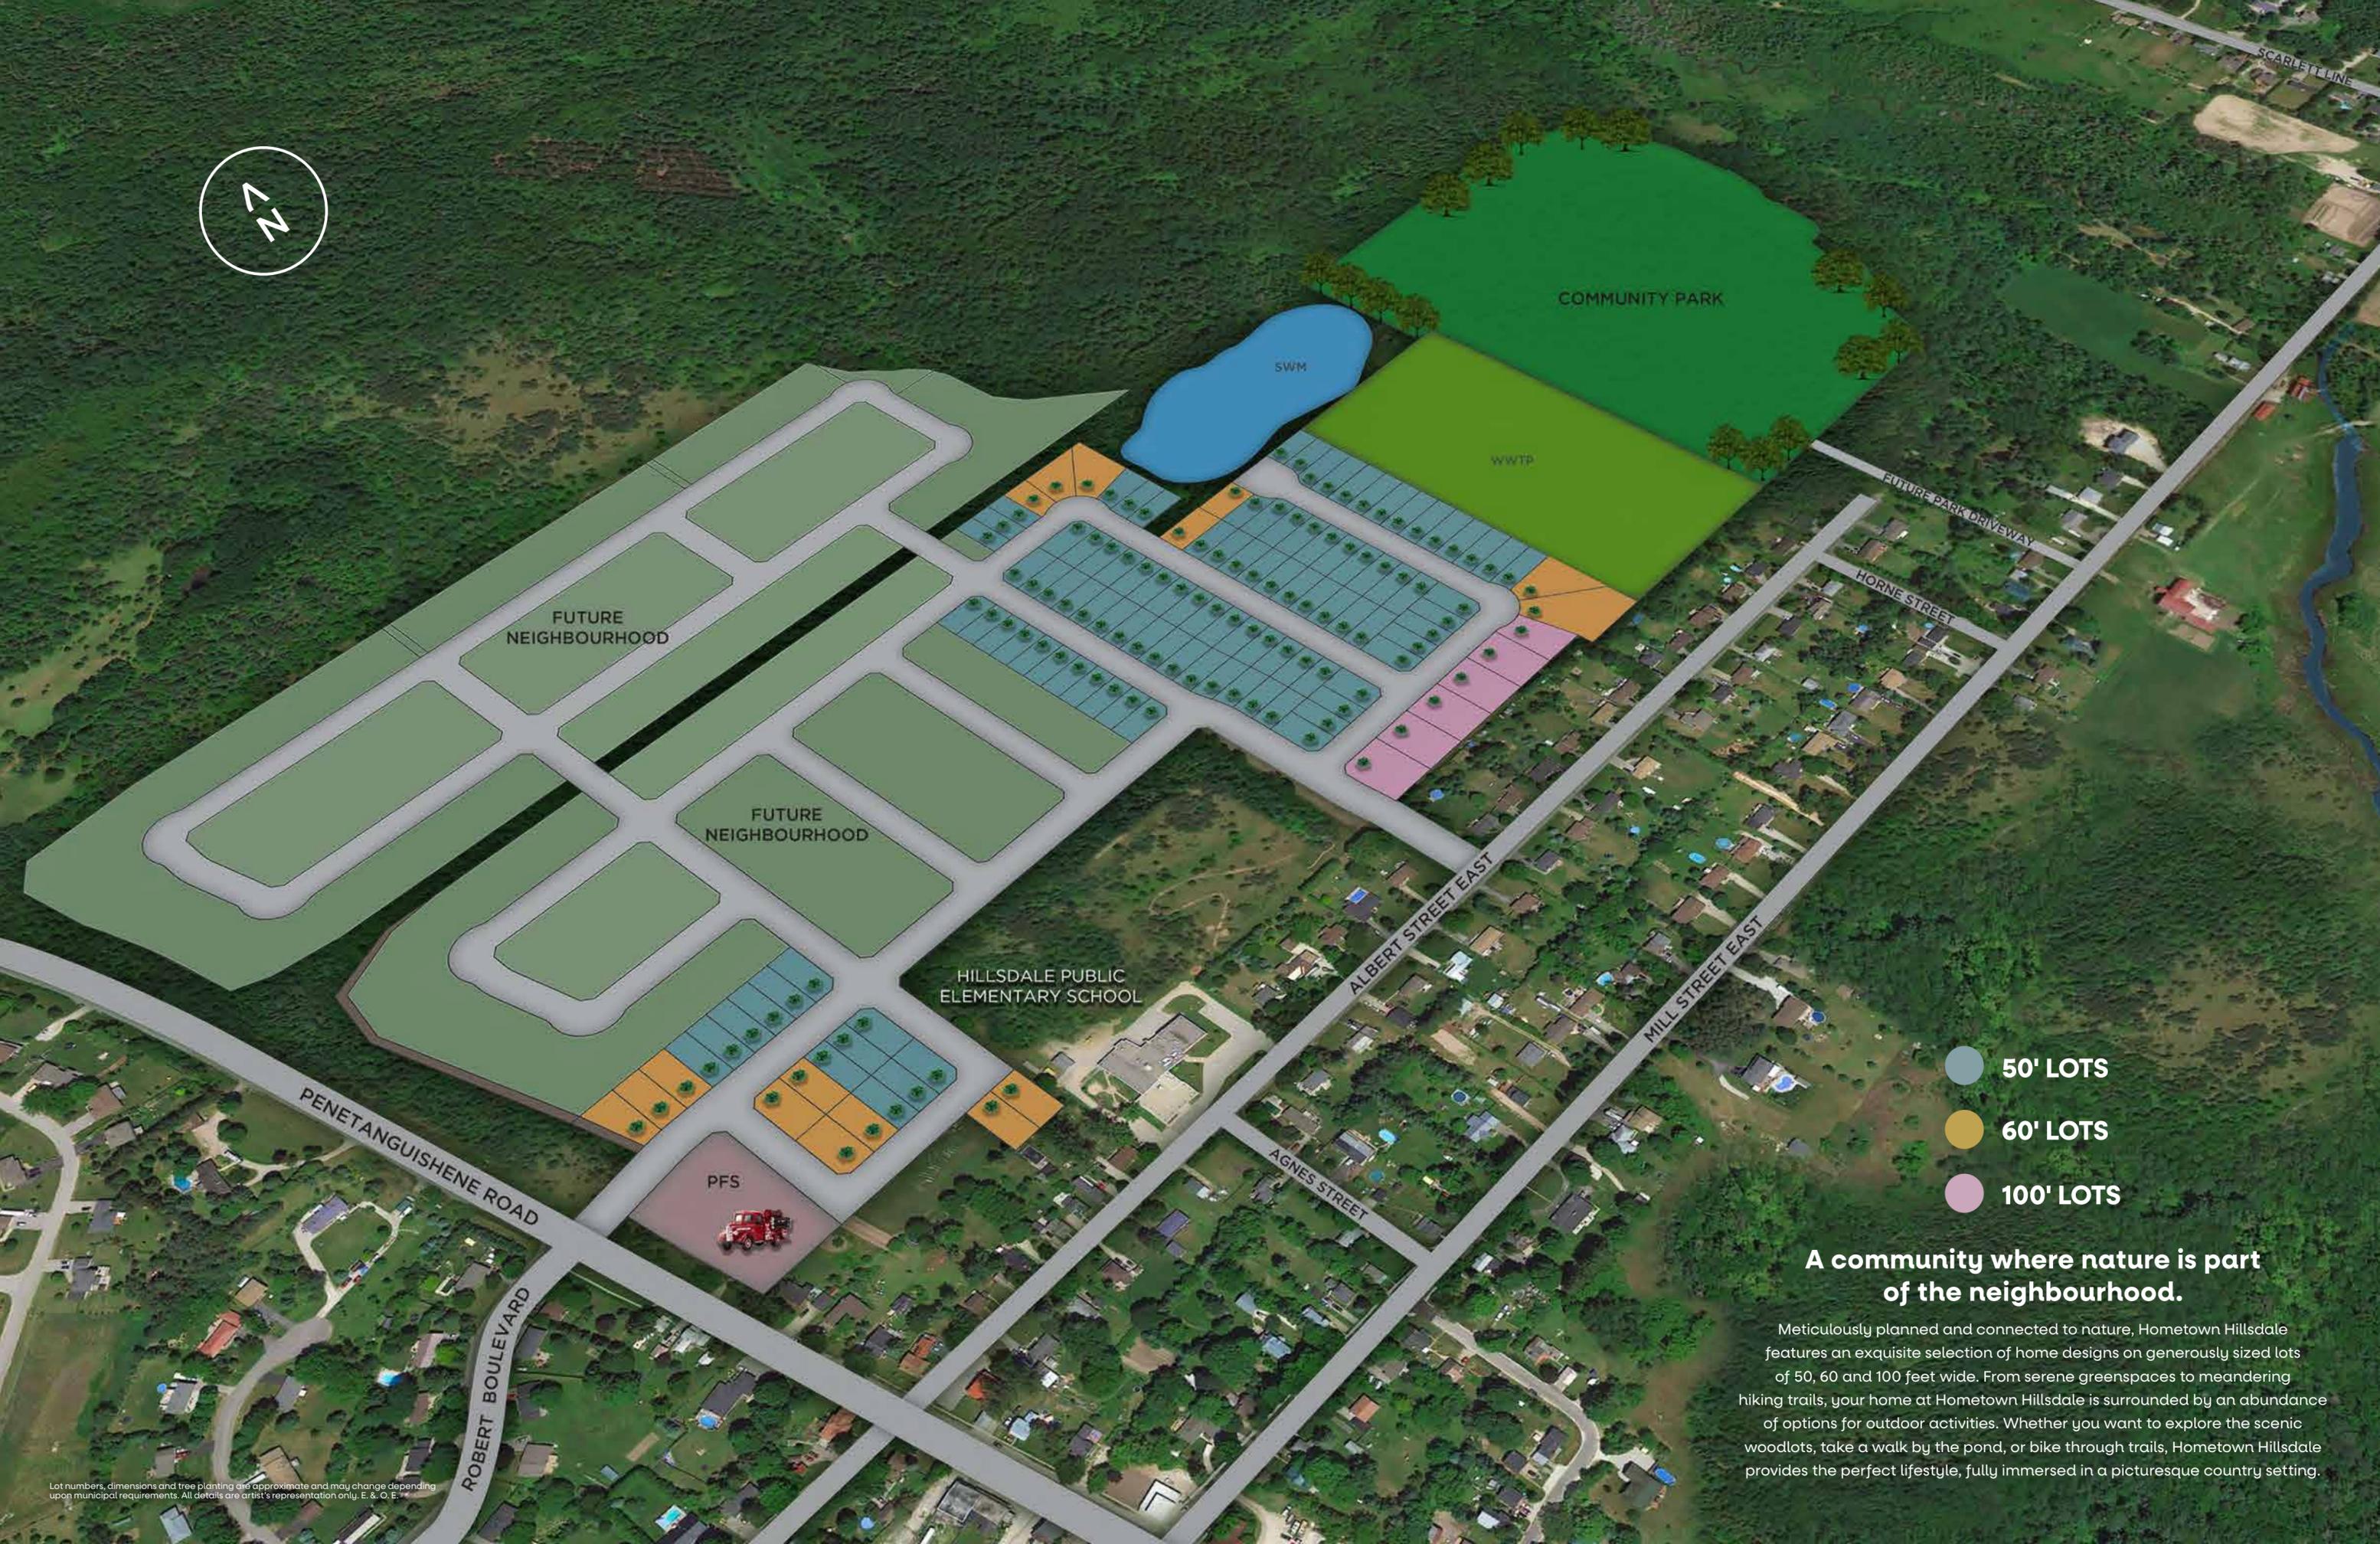

The town of Hillsdale, a beautiful natural setting to put down roots.

HILLSDALE IS JUST TWO MINUTES FROM THE HWY 400 & HWY 93 JUNCTION, AND IS MINUTES NORTH OF BARRIE.

Hillsdale is just wide, open landscapes featuring a picturesque terrain faithful to the community name, with rolling hills flowing into lush dales and blue skies touching green treetops.

With its enviable location close to two major thoroughfares and just north of Barrie, it was only a matter of time before this hidden gem's brilliant sparkle would capture the imagination. After all, it's smack-dab in the middle of Southern Ontario's most glorious four-seasons playground, with skiing season and fishing season, spring blossoms and autumn harvests all celebrated in equal abundance. For families in search of a casual and comfortable yet active lifestyle, the ultimate road to travel ends in Hometown Hillsdale.

BUILDING COMMUNITIES WHILE EXCEEDING OUR HOMEOWNERS' EXPECTATIONS

With more than 30 years of experience in creating distinctive communities throughout southern Ontario, Crystal Homes has brought new meaning to the words quality and value in real estate. Innovative building designs, efficient and strategic home layouts and sumptuous suite and building amenities have made Crystal a standout name in the GTA's building industry.

Truly exceptional homes require creativity and ingenuity, fulfilling homeowners' lifestyle aspirations. Responding to their great expectations is Crystal's vision of special new home communities, featuring extraordinary amenities and distinctive streetscapes, complementing the surrounding environment and fully integrated with nature.

A Crystal home is the ultimate place to call home. A home that goes well beyond just shelter and comfort; a home that starts with finding the right location in the right neighbourhood and designing a complete community with all the features that grow and mature along with our homeowners.

Our professional team is in charge of the complete planning, design and building process from start to finish so that every community we create and every home we build, meets and exceeds our high standards - and yours!

WE BELIEVE THAT TAKING CARE OF OUR CUSTOMERS IS OUR FIRST AND MOST IMPORTANT PRIORITY

Over four decades of homebuilding experience. More than 50,000 completed low-rise and high-rise residential units across the GTA and USA. One of the continent's most prolific community builders with a commitment to complete customer satisfaction. Fernbrook Homes was launched by industry visionary Danny Salvatore over three decades ago with a mission to develop communities that stand tall for their planning and architectural excellence, meticulous craftsmanship and unwavering customer care. It was a high bar to set, and the firm has overdelivered with thousands upon thousands of families delighted to call their house or condominium suite a Fernbrook Home.

Today, Danny and his son, Joe, continue to pour their heart and soul into a growing portfolio of exceptionally designed communities across the Greater Toronto Area and beyond. With a passion for leadership and innovation, the Fernbrook team of over 100 homebuilding professionals continuously analyze the latest construction processes, market trends and homeowner desires to ensure every home they build is future-ready for generations to come.
