

the architecture of well-being.

FEATURES AND FINISHES

MASTERFUL CONSTRUCTION AND EXTERIORS

- Choice of 3 distinguished architecturally designed and controlled elevations featuring varying combinations of clay brick, premier smooth stone, stucco, precast detailing, architectural metal panels and other materials(as per plan/elevation).
- Sprawling terraces, spacious balconies and decks (as per plan).
- Architecturally aesthetic partitions between terrace suites, as per applicable plan.
- Poured concrete basement walls with drainage membrane for a watertight finish and proper drainage.
- Poured concrete porches and garage floors (as per plan).
- Exterior house walls to be constructed with 2" x 6" framing.
- Garage demising walls to be drywalled and taped, excluding any concrete walls.
- Prefinished metal roof, asphalt shingles, and modified torch down membrane flat roof system (as per plan).
- Prefinished aluminum soffits, eaves trough, fascia and downspout (as per plan).
- Maintenance-free aluminum and/or glass exterior railing (as per plan, grade and elevation).
- Two exterior hose bibs located in garage and at rear of house.
- Lot to be fully graded, top-soiled and sodded.
- Paved asphalt driveway.

HARMONIOUS INTERIORS

- Dramatic 10' ceilings on main floor (excluding structural and mechanical drops).
- Impressive 9' ceilings on second floor (Woodland Collection) and third floor (Woodland & River Collection) (excluding structural and mechanical drops).
- Ground floor ceiling height 8'6" (excluding structural and mechanical drops).
- Lower level ceiling heights approximately 9' (excluding structural and mechanical drops) featured exclusively on the River Collection.
- Smooth finished ceilings in kitchen, laundry room and all bathrooms (as per plan).
- Magnificent carpeted staircase complete with decorative oak handrail and metal pickets from the Vendor's samples (as per plan).
- Choice of exquisite trim selections from the Vendor's samples (3" baseboards and 2" casings).
- Contemporary two-paneled smooth interior doors.
- Brilliantly finished satin nickel door levers on all interior doors.
- White semi-gloss painted doors and interior trim throughout.
- Purchaser's choice of one premium paint colour for interior walls, from four Vendor samples.
- Semi-gloss paint finish in chosen colour for kitchen, bathrooms and laundry. All other rooms to be painted in flat finish in chosen colour.
- Space saving shelving installed in all closets.
- Elevator available as an optional upgrade (as per plan).

WINDOWS AND DOORS

- Maintenance-free vinyl casement windows throughout, transoms and window arches (as per plan/elevation).
- Durable metal insulated front entry doors with weather stripping.
- Screens and user-friendly cranks on all operating windows.
- Superior quality caulking sealant to be used on all windows and exterior doors.
- Double pane sliding glass vinyl windows throughout basement (as per plan)
- Garden or sliding patio door(s) to rear yard or deck/balconies (as per plan).
- Smooth operating roll-up garage doors with decorative windows (as per plan/elevation).
- Metal insulated door from garage to the house as per plan and where grade permits.

ARTISANAL KITCHENS

- Choice of distinctive kitchen cabinetry from the Vendor's samples.
- Matching quality cabinetry in servery for a cohesive aesthetic (as per plan).
- Fully integrated walk-in pantry with open style shelving (as per plan).
- Choice of ¾" thick contemporary quartz countertops from the Vendor's samples.
- Multi-functional free-standing island with an inviting breakfast bar (as per plan).
- Elegant undermount double bowl stainless steel sink with single lever faucet.
- Efficient exhaust hood fan over stove with duct ventilation to the exterior.
- Rough-in plumbing and electrical for dishwasher.
- Heavy-duty wiring and receptacle for stove.
- Electrical outlets provided for refrigerator as well as at counter level for small appliances.

SERENITY-INSPIRED BATHROOMS

- Choice of expertly crafted vanity cabinetry selections from the Vendor's samples (exception: pedestal sinks in powder room(s)).
- Choice of stone-inspired laminate countertops with white vanity sink(s) from the Vendor's samples (exception: pedestal sinks).
- Modern chrome single lever faucets for all bathroom sinks, bathtubs and shower stalls.
- Luxurious freestanding soaker tub in Master Ensuite (as per plan).
- Relaxing acrylic tub as per plan, with choice of 8" x 10" designer ceramic tiles on all bathtub enclosure walls to underside of ceiling.
- Privacy locks on all bathroom doors and powder room.
- Stone surface surrounding threshold on shower stalls.
- Efficient Energy Star® exhaust fans in all bathrooms, powder room and ensuite water closet (as per plan).
- Comforting master ensuite shower with frameless clear glass shower door and enclosures, modern chrome trim and choice of 8" x 10" designer ceramic tiles on shower walls to underside of ceiling. Shower floor to receive 2" x 2" decorative mosaic tiles.
- Contemporary mirror with overhead lighting over vanity, as per Vendor's standard sample.
- Two-piece standard white high-efficiency toilets.

LAUNDRY

- Generously sized freestanding acrylic laundry tub with faucet (as per plan).
- Plumbing connection for washing machine.
- Wiring, receptacle and vent for dryer.

EXQUISITE FLOORING

- Choice of 13" x 13" beautiful ceramic tiles in foyer(s), bathrooms, powder room, mudroom, and laundry room (as per plan).
- Laminate flooring on non-tiled areas of main floor and hallway of ground floor and 3rd floor.
- Warm carpet throughout bedrooms, and ground floor recreation room (as per plan).
- Sub-floors sanded and screwed down before application of chosen finished floor.
- Quarter-round installed on ceramic and laminate floor areas for a refined appearance.
