SUMMER RECREATION

Summertime fun

There are dozens of warm-weather activities in and around Orillia. Cruise, fish, and play on the waters of Lake Simcoe, Sparrow Lake, and Georgian Bay, all of which you can access by boat through the historic lock system along the Trent-Severn Waterway.

If you prefer to explore on solid ground, cycle or hike the waterfront roads and country trails that wind through the region. Dozens of beaches and provincial parks give you plenty of stunning backdrops for a day of fun or relaxation. Or if you prefer to be in the heart of the action, head into the Port of Orillia. Known as the 'Jewel of the Trent', it welcomes thousands of boaters every summer.

An aerial view of a private lakefront area. A long wooden dock extends into the water, with several people standing on it. A small boat is tied to the dock. In the foreground, two people are kayaking on the water. The background features a lush green lawn with many trees and picnic tables. The scene is bright and sunny, suggesting a pleasant day at the lake.

SERENITY BAY LAKE CLUB

Your own private lakefront

When you live at Serenity Bay, you'll have access to your own private lake club right on Lake Couchiching. Take the designated boardwalk from home to the one-acre lakefront, with private trails, picnic tables, a dock, and canoe, kayak, and paddle board rentals. All of this is available to you exclusively as a resident of Serenity Bay.

WINTER RECREATION

Chill in Severn

Winter doesn't mean things slow down at Serenity Bay. Hit the slopes at Mount St. Louis Moonstone, one of the best hills for skiers and snowboarders in the region. Zip across the frozen lakescapes on a snowmobile or check out over 300km of groomed trails winding through snow-covered forests.

If you're looking for something a little slower-paced, spend the day ice fishing on Lake Couchiching or Lake Simcoe, or Georgian Bay is less than an hour away.

Not so keen on the colder weather? Explore the rich history of the area at nearby heritage museums or historic sites.
